

# PURCHASING GUIDE

## THORAPPS ONLINE SERVICES

## REFERENCES

This guide is part of ThorApps product documentation. We encourage you to click through the links below to learn about purchasing our apps:

1. [How to apply a promo code](#)
2. [How to pay for a service subscription](#)
3. [How to update your payment method](#)
4. [How to update your payment plan](#)
5. [How to view your payment history and invoices](#)
6. [View your usage history](#)

## OVERVIEW

When you first install a ThorApps Online Services App, you will be provided with free credit for trial purposes. This is for testing and evaluation purposes and will only last up to 30 days.

When your free credit is consumed, or trial period ends, your subscription will de-activate. You will need to either:

- Arrange for subscription payment
- Uninstall the App
- Contact Us with a strong reason for extending your trial period

This guide will demonstrate how to:

- Access the App's Account Settings page
- Set up your Billing details
- Set up your payment method
- Choose your Payment Plan
- View your Payment History and Invoices
- View your Usage History

This guide uses ThorApps – List Sync Service as an example, but it applies to all ThorApps Online Services apps.

## PREREQUISITES

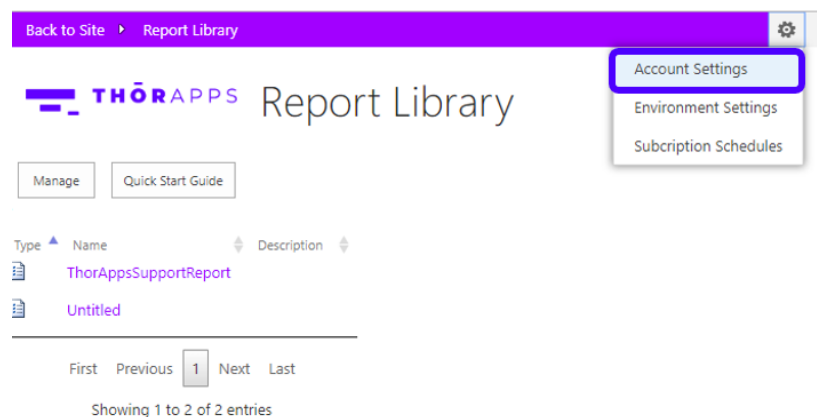

To follow this guide, you will need:

- A computer with internet access
- SharePoint Online site collection administrator rights
- A ThorApps app activated on a SharePoint Online site collection in your O365 tenant
- An understanding of basic SharePoint terminology and navigation

## HOW TO APPLY A PROMO CODE

Open a browser and navigate to the SharePoint Online site collection containing the app.

In the Quick Launch menu on the left, click “Site Contents”. Alternatively, click the cog icon in the upper right and select “Site Contents”.

On the left side menu, choose the “Payment Methods” option.

Plan Name

This is the name we have given a plan.

Price

This is the amount you will be charged by ThorApps for application usage during the month.  
Depending on the support agreement you have selected, you may also be charged for support.  
If you exceed the 'Usage Cap' amount (depending on your settings) your service will either be deactivated for the month,  
or you will be charged at the per minute rate for usage exceeding the 'usage cap'.

Usage Cap

This is the amount of usage you can consume within the month without your service being deactivated or per minute charges applying.

Click “Close” to return to the previous page.

To view the usage rates for each app, click “Our Rates”.
